

TEPPFA Public Affairs Manager

TEPPFA is looking for an enthusiastic and highly motivated Public Affairs Manager to reinforce its team based in Brussels.

About TEPPFA

TEPPFA is the European Plastic Pipes and Fittings Association bringing together multinational company members and national associations across Europe representing together 350 companies that manufacture plastic pipes and fittings for building and infrastructure applications. TEPPFA's members have an annual production volume of 3 million tonnes directly employing 40,000 people with €12 billion combined annual sales.

The Role

You will monitor key EU policy developments, draft impactful advocacy position papers and materials, engage and advocate for TEPPFA positions before EU decision-makers and stakeholders, and coordinate internal working groups while reporting to the Director General. You will play a central role in shaping TEPPFA's policy advocacy on areas such as sustainability, circularity, construction, chemicals, water, and industrial policy, ensuring that the voice of the European plastic pipe industry is effectively represented in Brussels.

Your Responsibilities

- Track key EU policy developments and translate them into clear insights for TEPPFA and its members.
- Help shape TEPPFA's advocacy agenda on sustainability, circularity, water, construction and industrial policy.
- Create compelling position papers, briefings and consultation responses that bring industry priorities to life.
- Bring members together to build shared positions and turn technical input into strong advocacy messages.
- Represent TEPPFA in discussions with EU institutions, partner associations and external stakeholders.
- Support events, workshops and meetings that strengthen TEPPFA's voice and visibility in Brussels

Your Profile

- A degree in political science, law, economics or a related field and 3–5 years of hands-on experience in EU or national advocacy, public affairs or policy work
- Strong knowledge of the EU institutions and European decision-making process.
- Affinity with the building and construction sector, with an interest in plastic products and the wider EU industrial landscape.
- Excellent communication and interpersonal skills, with a proven ability to distil complex technical issues into clear messages tailored to audience.

- Excellent command of written and spoken English; proficiency in additional languages is an asset.
- Familiarity with social media platforms and their role in public affairs and stakeholders' engagement
- Proactiveness, curiosity and can-do attitude are highly valued.
- Good dose of humour and rock-solid team spirit.

Our Offer

A permanent, full-time position based in Brussels under Belgian employment law.

We offer a competitive remuneration package, commensurate with experience, including a comprehensive package of fringe benefits. You will work in an international and dynamic environment, enjoy close interaction with leading companies in the sector.

The role offers excellent opportunities for professional growth and development and the chance to make a tangible impact on European policy within a small and collaborative team.

Please submit your application at info@teppfa.eu including your CV and a short motivational letter. Deadline for submission: 22 August 2026. Interviews will be conducted in person, in Brussels during the month of September.

Ideal starting date: latest November 2026
